Challenge of Candidate Nominating Petitions

Any individual may, upon reasonable notice and during normal business hours on or after September 22, 2020 and until September 28, 2020, examine candidate nominating petitions at the FPIF office; provided, however, that in order to protect the signing participants' and annuitants' privacy and confidentiality, the examination shall be subject to certain limitations. A prospective candidate or eligible voter may challenge the petition validation process for a nominating petition or candidacy only in the class within which that prospective candidate or voter is eligible. A challenge shall be submitted in a written statement identifying the specific aspects of the petition validation process that is being challenged. All challenges shall be submitted to the Election Panel no later than 4:30 pm on September 28, 2020. Challenges should be submitted to the Election Panel Clerk via email at sczahn@ifpif.org.

The Election Panel and FPIF staff ask that individuals wishing to examine candidate nominating petitions contact the Election Panel Clerk via email at sczahn@ifpif.org at least one business day in advance of the date the individual wishes to examine candidate nominating petitions. The Election Panel and FPIF staff are making this recommendation to ensure that proper social distancing can be maintained within FPIF offices.

The Election Panel will consider a written statement challenging the petition validation process for a nominating petition or candidacy and proceed to make a final determination on the challenge on or before October 2, 2020. The Election Panel shall send a written notice of the final determination to the challenger and all candidates. The Election Panel shall, if necessary, update the slate of candidates on the FPIF website.

The Election Panel is scheduled to meet on October 1st at 1 pm to consider the final slate of candidates.
